

Pastor and Congregation Reentry Agreement

Bishop Dennis V. Proctor
North Eastern Episcopal District
137 Talcott Notch Road
Farmington, Connecticut 06032-1630

RE: Reentry Members Meeting

Dear Bishop Proctor:

On _____ the membership of _____ had a members meeting and received majority vote to reenter the physical building for in-person worship. During the meeting, we discussed our detailed reentry protocols including all associated risks. The Pastor and congregation acknowledge and accept all responsibility for reentry. The Pastor and congregation agree to consistently monitor all local, regional, and state COVID-19 data and establish target criteria to determine if the church needs to revert to virtual services. While this signed agreement signifies consensus to reenter, (1) there is no defined timeline for this agreement, (2) virtual attendance will be provided to those that wish not to attend in person, and (3) this agreement does not supersede any future decision by Episcopal Leadership to revert to virtual service.
